St. Regis Signature Rituals

The St. Regis Afternoon Tea

Afternoon tea was introduced in the early 1800s by the Duchess of Bedford. Mrs. Astor subsequently embraced the tradition and brought it to New York society. This event was adopted at The St. Regis New York and has been a defining part of St. Regis stays ever since. Nestled in the heart of the lobby, The Lobby Lounge offers an elegant Afternoon Tea with exquisite pastries by our master chefs. Available daily 2:00 PM – 6:00 PM

The Art of Sabrage

Dating back to the battles of Napoleon Bonaparte, who famously opened champagne with his saber in both victory and defeat, the art of sabrage is the signature ceremony of the St. Regis Evening Rituals series. "Champagne- in victory, one deserves it; in defeat, one needs it." –Napoleon.

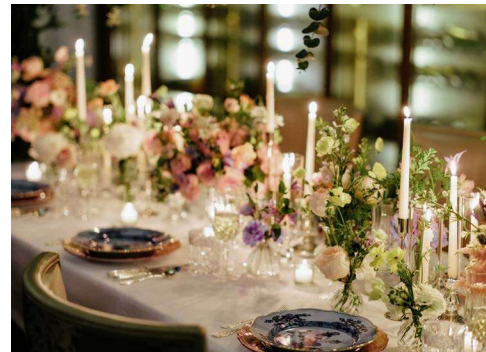

Witness the elegant ritual of The Art of Sabrage every evening at 6:30 PM at The Stage Bar & Lounge.

The Bloody Mary

The Bloody Mary was born in 1934 at The St. Regis New York's King Cole Bar, crafted by Fernand Petiot. First named the "Red Snapper," it remains the signature St. Regis cocktail.

The Wadi Tiwi Bloody Mary, inspired by Tiwi Valley, offers a bold fusion of local spices and frankincense—a true taste of Oman. Available at The Stage Bar & Lounge.

Midnight Supper

St. Regis welcomes guests for exclusive and intimate Midnight Supper special events around the world, designed to honor the traditions of Caroline Astor.
